A Warm Welcome from a Mobile Refrigeration Firm

(Published 13th July 04)

Big Fridge Limited has welcomed Jemma Wallace to its team. A student at the University of Newcastle upon Tyne, she will help to identify new lines of business.

Big Fridge, of Thornaby, Teesside, is a mobile refrigeration company that has identified a niche in the market for outdoor chilling and cooling solutions.

James White, of Big Fridge said: "we have been overwhelmed with the level of interest from both the commercial and domestic sectors following our recent marketing campaign. It is on the back of this that we are delighted to welcome Jemma Wallace to help us continue to expand and explore further business opportunities throughout the UK."

Miss Wallace, 20, will be based with Big Fridge's marketing company, The Image Group, in Middlesborough, and while working mainly on the Big Fridge project, she will gain experience in Image Groups PR and events department.

She said: "This is a great opportunity for me, not only am I gaining experience from two completely different and exciting companies, I can also hopefully help both companies in the process. This placement will stand me in good stead after I complete my degree."
